FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble.
Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.
I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.
We never have a long spell of sickness in our family, since we commenced using Black-Draught."
Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.
It has been in constant use for more than 70 years, and has benefited more than a million people.

25 CENTS DESTROYS
YOUR DANDRUFF AND
STOPS FALLING HAIR

SAVE YOUR HAIR! MAKE IT
THICK, WAVY AND BEAU-
TIFUL—TRY THIS.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance and have the appearance of abundance and have the appearance of abundance; but what will please you most will be after just a few week's use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

of the European war. Prices have risen in almost every line and to a remarkable extent in many lines. It is well known in this vicinity that W. D. Pierce was a good buyer and that he had a large stock of staple goods when he turned over his stock recently to W. H. Adams, the present proprietor. Mr. Adams is selling a lot of these staple goods in the various departments at prices less, in many instances, than the same goods can be purchased for today at wholesale. Many others are going at the same as present wholesale prices. For instance, a salesman for a large shoe factory came into Mr. Adams' store a few days ago and asked what he was retailing his line at now. Mr. Adams said \$3.50. He said the wholesale price is \$3.60 and you ought to raise the price. Of course, when present stock is exhausted the low prices will be a thing of the past. This is first a hint. Read his advertisement and go and see for yourself.

ACIDS IN STOMACH SOUR THE FOOD AND CAUSE INDIGESTION

"PAPE'S DIAPEPSIN" FIXES SOUR, GASSY, UPSET STOMACHS IN FIVE MINUTES.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

POINTS THE WAY

THE STATEMENT OF THIS FORT GAY RESIDENT WILL INTEREST OUR READERS.

Our neighboring town, Fort Gay points the way in the words of one of its most respected residents:

R. Frasher, M. D., Fort Gay, W. Va., says: "The residents of this vicinity suffer considerably from kidney and bladder complaint, due to the poor quality of drinking water. I have found Doan's Kidney Pills to be the one medicine that can be depended upon for relief. It has been my experience that all ailments caused by weak kidneys, such as irregular passages of the kidney secretions, gravel, dropsical swellings, lumbago, pains in the back and hips, etc., can be removed by Doan's Kidney Pills. A few doses of this medicine taken immediately when the trouble is first noticed, will save much misery."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Dr. Frasher had. Foster-Milburn Co., Props., Buffalo, N. Y.

Christmas Presents For The Family!

WE SOMETIMES wonder if the people do not get tired of merchants always claiming to have the best stock ever shown in the community—There are cases where people have a perfect right to (GET TIRED) when you read or hear such claims. Then again there are cases where the people should feel (REST-ED) when they see such claims. Some stores do not advance, others do. When we claim to have a better stock than ever before, you can rest assured that we really have what we claim. The UNDERSELLING STORE has gained ground each year we have been in IRONTON, each year we have made our stock better, we are not satisfied with something just as good—we want something better and we GET IT. This year is no exception, we have thousands of dollars worth of Merchandise shipped into us due us on back orders at low prices. These goods were purchased direct from the mills a year ago and we are just receiving deliveries on same. This is positively your last chance to purchase Merchandise at the former old prices. Come in and be convinced. It is not necessary for us to go into details relative to the grade of Merchandise THE UNDERSELLING STORE carries; for every man, woman and child knows the reputation of THE UNDERSELLING STORE. Come in and save from 25 to 50 percent on each and every purchase you make. You will find at this store anything you may desire in CLOTHING, SHOES, DRY GOODS, NOTIONS, MILLINERY and UNDERWEAR at a far less price than you can purchase elsewhere. Your money is cheerfully refunded on any purchase that is not satisfactory.

INCORPORATED

MANUFACTURERS
OF SOFT
DRINKS IN
ALL FLAVORS

BAKERS OF
THE FAMOUS
LOBACO BREAD.
CAKES, PIES

Louisia, Ky., Nov. 15th, 1916.

TO OUR PATRONS:--

It has been five months since flour has been within reach of either the baker or consumer, yet we have made no changes in the price of LOBACO BREAD. It now becomes necessary to make some changes.

We do not want to bake a Ten Cent loaf from the fact that we would have to buy over twelve hundred dollars worth of new pans. A ten cent loaf is nothing more than two five cent loaves baked in a narrow pan. There is positively no economy either to the baker or consumer in a ten cent loaf.

We do not want to raise the price to you on our present loaf. Our loaf is now small and to raise the price one cent on the loaf would give us too much profit, the merchants not enough profit and you would have to pay over your proportionate rate for the bread.

OUR PLAN IS THIS. |

By raising the weight of our bread we gain the following; we do not have to buy any additional pans, we do not have to buy any additional shape wrappers and wrappers have advanced three hundred per cent. We save the labor on all additional weight, as we can do this with positively the same costs so far as wrappers, baskets, pans and labor is concerned.

We propose instead of baking an eleven ounce loaf, to bake a fourteen ounce finished loaf, which will sell at retail at eight cents or two for fifteen. Ninety per cent of the people buy two loaves at once. The larger the loaf the longer it will keep and the better the flavor, for it is not all baked out.

Figure it out this way: If you should pay six cents for eleven ounces of bread (present weight) for a loaf that would weigh twenty eight ounces you would have to pay sixteen cents. Our plan will make bread cost you fifteen cents. In other words, by buying a larger loaf you save six and a half per cent, or what we save is not having to buy additional pans, wrappers and labor. This plan will give you bread at about the same cost as at present, and the extra costs are shouldered equally by the merchant, baker and consumer.

Remember that prices will not be changed until after December 15th and three days before we change we will raise the weight of the bread so that you can see for yourself the economy in buying larger loaves and not smaller loaves.

Very truly,
THE LOBACO COMPANY.

eyes, scissors and knives that make corns bleed and sore, harnesses and bandages that all up your shoe, press on the corn and make your foot feel like a paving block. What's the use? Why not do what millions are doing, take 3 seconds off and apply "GETS-IT"? It dries, you put your stocking on right away, and wear your regular shoes. Your corn loosens from the toe, it lifts right off. It's painless. It's the common-sense way, the simplest, easiest, most effective way in the world. It's the national corn-cure. Never fails.
"GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price, by E. Lawrence & Co., Chicago, Ill.

TAKE "CASCARETS" IF
HEADACHY, BILIOUS
AND CONSTIPATED

BEST FOR LIVER AND BOWELS,
BAD BREATH, BAD COLDS,
SOUR STOMACH.

Get a 10-cent box.
Sick, headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.
Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

Coughs Catarrh

A trinity of evils, closely allied, that afflict most people, and which follow one on the other, in the order named, until the last one is spread through the system, leading to many evils. But their course can be checked.

PERUNA CONQUERS

It is of great value when used promptly for a cold, usually checking it and overcoming it in a few days.

Ample evidence has proved that it is even of more value in overcoming chronic catarrh, dispelling the inflammatory conditions, enabling the diseased membranes to perform their natural functions, and toning up the entire system.

The experience of thousands is a safe guide to what it may be expected to do for you.

Liquid or tablets—both tested by the public and approved.

LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

TAKE NO CHANCES! MOVE POISONS FROM LIVER AND BOWELS AT ONCE.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

Don't Make Curiosity Telephone Calls

IT is beyond the bounds of possibility to answer promptly the mass of curiosity telephone calls that threaten to swamp our exchanges every time there is a large fire.

Calls for physicians, the ambulance or the police, held up at such times might result in the loss of human life.

For your protection, as well as for the protection of your neighbors, we ask you not to call the telephone operator merely out of curiosity. After all, she has no more information than you have.

WAYNE, W. VA.

(News.)

Rural route No. 2, for which the patrons have been asking for the last two years has at last been established. The route will be opened January 2. Postmaster W. B. Spurlock received the order establishing the route Saturday November 25.

The route starts at Wayne and runs to the Spurlock Memorial church thence up Wilsons creek to the head thereof, thence around the ridge to the Stephens gap, thence down Millers fork to the S. M. Adkins farm, thence turning about, runs up the left fork of Millers Fork to the Mills gap, thence around the ridge to the Mt. Union school house, thence from said school house down Newcomb creek to the mouth where the Armilda postoffice stood, then the route runs by way of the twelve pole road to Wayne.

There is one part yet that the patrons will have to perform. That is, they will have to sign up for boxes. There will have to be as many as 120 families who will vouch to patronize the route.

D. B. Hardwick and M. E. Ketchum have purchased the store near the bank building, of M. D. Ward. However, the new firm will not take charge until January 1.

Mr. and Mrs. Dr. G. R. Burgess visited Mr. and Mrs. P. A. Powell, of Huntington Saturday and Sunday. Dr. Burgess accompanied Mrs. Powell to Baltimore where she underwent an operation.

On Wednesday, November 22, Mr. Walter Grate and Miss Ollie Hensley, both of Ceredo, were united in the holy bonds of matrimony at the Wayne Baptist church, Rev. B. S. Akers of Ceredo officiating.

The bride is the daughter of J. H. Hensley and lived in Wayne for many years prior to Mr. Hensley's removal to Ceredo.

The groom is one of Ceredo's hustling business men, being a member of the firm of Grate Brothers.

Quite a number of friends from Ceredo and Wayne witnessed the ceremony. The bride-groom arrived in Wayne at an early hour and as soon as the marriage vow was solemnized they took their departure in an automobile for Ashland where they took the train for Florida. The happy couple will spend the winter in the flowery state and probably will locate there permanently.

Twelve miles of one hundred pound rails for use between Ashland and Cincinnati, have arrived in Ashland.

NEW ERA IN BUSINESS PROSPERITY IN HELLIER, KY.

Cohen & Stryk, proprietors of one of the largest stores in this section of the country, have leased the two large first floors of the Princess theatre building, and they will move at once in their new headquarters, where they will put in a first class ready to wear store; the women's and men's department will be separate.

Mullins Brothers have sold their complete stock of groceries and confectioneries to Tom Fife, who conducts a first class restaurant here. Mr. Fife is now making quite an improvement and extension to his building, making room for his new stock of goods.

John Anderson has purchased Tom Fife's restaurant equipment, and Fife has purchased Anderson's entire line of groceries. In the future Mr. Anderson will cater to the restaurant trade only, and Fife will only handle groceries and confectioneries. Mr. Fife is a hustler, and a man that does things.

William Bartley has sold out his store to G. W. Bartley & Son, and the building occupied by him is to be leased to Ben Hall for a pool room. Part of the pool room is now rented to Mr. Johnson for a barber shop.

John Mullins intends to move back to the farm at Lookout, Ky., where he owns some property.

The building occupied by Cohen & Stryk, is to be remodeled and turned into a first class hotel, which Hellier is very much in need of at the present time.

The Solway people have taken over the Elkhorn Consolidated Coal & Coke company, and they now do business under the name of Edgewater Coal Co. It is said that the Solway people are among the largest companies in the United States.

The Greenough Coal & Coke Co., and the Allegheny Coke company, apparently are running full time, and they are getting out enormous quantities of coal and coke. Work seems plentiful.

The Princess theater of this place is meeting with quite a success, the building being almost packed to capacity each night. The Princess fills a long felt want for Hellier, and the people should appreciate this high class picture house—and they do.

Sam Cohen and A. Stryk will leave shortly for Cincinnati to purchase new goods for their new store.

Dr. C. H. Warner has located here, and we now have two doctors.

About the only thing the people are kicking about now is the high cost of living and loving.

Charleston, W. Va., Nov. 30.—Sufficient money was left over in a fund created by citizens for the relief of those affected by the August flood on Cabin creek and Coal River, to permit the Relief Committee to send checks to a large number of dependents, it became known to-day. The checks have just been sent out. Each father and mother receives \$5 and each child \$2. Over 2,500 persons were on the list of needy, the committee reports.
